# Promote Professional Learning with a Corporate Webcast Subscription

Your staff can view the newest webcasts for a reduced fee

The Society of Actuaries (SOA) is committed to supporting actuaries as they continue their education through all available platforms, including webcasts. To help in that process, we're pleased to offer actuarial employers a webcast subscription package for their employees.

## Subscription Has its Benefits

The SOA's webcast subscription program gives you access to a set number of new webcasts on a variety of topics. While pricing structures refer to the number of SOA credentialed actuaries you have on staff, attendance at webcasts within your subscription package is open to all employees. This allows your team members, both in the actuarial department and beyond, access to informative webcasts on the industry trends and topics that impact them. **As a newer feature, we are now including webcasts produced by the SOA Research Institute!**

### BENEFITS OF SECURING A SUBSCRIPTION INCLUDE:

- Unlimited number of participants
- Unlimited number of locations
- Permission to rebroadcast to internal audiences, using your organization's technology
- Ability to request a complimentary registration link to share with internal audiences (email PD@soa.org).

Subscriptions are valid for one year from date of purchase. They are non-refundable and credits for unused webcasts will not be given. Additional packages can be purchased at any time.

## How it Works

After the SOA receives your subscription package selection, the designated contact at your organization will receive details on how to register for webcasts. **If you would like to create a general email account so that multiple people from your organization can purchase webcasts, please reach out to us for instructions,** ([customerservice@soa.org](mailto:customerservice@soa.org)) Your organization is responsible for coordinating webcast attendance for your team. A recording of each webcast is included in your subscription package selection and will be provided to your designated contact person, ensuring your team members can take part in professional development at any time.

### OBTAIN EA CREDITS

SOA members that participate in EA-credit approved webcasts can request a certificate of attendance by completing a request form, which will be provided to your organization's designated contact.

### SECURE YOUR WEBCAST PACKAGE TODAY

Ready to place your corporate subscription order now? If you are the designated contact for your organization and paying with a credit card, you may place your order for the 7, 14 or 21 webcast package directly through our online store. As the designated contact person, orders must be placed under your account or a general email address ([actuaries@company.com](mailto:actuaries@company.com)) you create in your system. If you do not have an account in our system or want to use a general account, please click on the first-time user to create a profile record.
