

2024 THE SEOUL SEMINAR

ACTUARIAL OUTLOOK & BEYOND IFRS17

26 September | Seoul, South Korea

Venue: Hotel President, 16, Eulji-Ro, Jung-Gu, 04533 Seoul South Korea

The Society of Actuaries is organizing the 2024 [SOA Seoul Seminar](#) in collaboration with the Institute of Actuaries of Korea (IAK) as supporting partner on 26th Sept. 2024.

This year, the theme is **Actuarial Outlook and beyond IFRS17**. The SOA is honored to welcome Mr. Hyun Kyu Lee, IAK Vice President and Mr. Taik Ki Lee, SOA Greater Asia Committee Chair as our welcome remarks speakers. Seasoned speakers will share the topics including:

- Actuarial Model Validation, Governance and Control
- IFRS 17 Liability Measurement Method from a Hedge Perspective
- How to Evaluate Shareholder's Value of Insurance Company after IFRS17 and KICS
- Digital healthcare and Insurance
- How Has Senior Insurance Market Evolved in South Korea?
- Critical Illness Products Across Asia: A Multi-Country Comparison of Features, Definitions, Underwriting Practices, and the Implication to Risk
- Panel Discussion - Climate Simulation, Green Assets

This seminar will provide a learning and networking platform for participants to mingle with industrial experts, sponsors, and practitioners in the South Korea region and Asia. Latest SOA news will be shared. The SOA welcomes all levels of actuaries and professionals to participate in this comprehensive program.
